

LEGAL REQUIREMENTS ACC. TO EUROPEAN ENVIRONMENTAL LAW

Issued by/Bearbeiter: ANDRITZ Procurement Team

Date/Datum: January 2021

Dear Business Partner,

The EU Waste Framework Directive [2018/851](#) and the REACH Regulation No. [1907/2006](#) requires that any supplier, importer or manufacturer of articles (*article means an object which during production is given a special shape, surface or design which determines its function to a greater degree than its chemical composition does*) containing **Substances of Very High Concern (SVHC)** must provide comprehensive information to their customers and to the European Chemicals Agency (ECHA).

According to REACH Regulation No. 1907/2006 Article 33 (1), suppliers of articles must inform their customers about the presence of SVHC if 0.1% by weight of the article is exceeded (as per January 2021 of [SVHC listing](#)).

ANDRITZ wants to meet these actual requirements of the European Union concerning environmental laws and in addition improve the material data quality.

As ANDRITZ is running international projects, also ANDRITZ suppliers outside of the European Union may be affected by these laws as an importer.

Therefore, we kindly ask you to answer the following questions:

- Have you delivered articles or products to ANDRITZ within 2018, 2019 or 2020 which are or have been subject of reporting according to the mentioned European Union Environmental Law (presence of SVHC is exceeding 0,1% by weight in one article of your product or material)? **YES / NO**
- Are any products, articles or materials of your entire business portfolio subject to reporting according to the mentioned European Union Environmental Law or affected by these laws (presence of SVHC is exceeding 0,1% by weight in one article of your product or material)? **YES/NO**
- Is any “conflict mineral” (tantalum, tin, tungsten and/or gold) added or used in your products, articles or materials? **YES/NO**

Your response is required via the **online questionnaire**. The **link is provided in the e-mail**. We kindly ask you to provide us with the requested information **as stated in our request**. The completion will take only a few minutes.

Thank you for your cooperation in this very sensitive topic!

Kind regards,
ANDRITZ Procurement Team
